I love blues music and it seems the people of Stroud do too. I'm getting as much support for blues music at The Clothiers Arms as possible on Facebook and through Stroud FM and so far have 8 months booked up already including such names as the big 'Blues Daddy' of the the British Blues scene, Mr Perry Foster.”

Alex is in the Regional Final of Live and Unsigned representing Gloucestershire and is likely to be the only artist representing Blues Music in the whole competition. Alex has a Facebook page with a support slogan Alex @ Live and Unsigned - 'Doin It For the Blues'.. and has a great Blues fan base including Blues musicians backing him throughout the competition.

“Its great that I have the backing of blues music fans and blues musicians. I really hope to get blues fans backing live blues music in Stroud and the Blues Night Monthly is a hell of a way to start!”
